## Power Delivery Type A/C USB Charger Receptacle

MODEL NO: 61501-1A1C-PD30

### DESCRIPTION

The ENERLITES 61501-1A1C-PD30 in-wall charger meets the charging needs of multiple high-demand devices, like your MacBook Pro 16", iPad Pro (2018), iPhone 13 series and other Android mobile phones. With 30W power output split between the two USB ports, this power delivery fast charger can power the connected device at maximum speeds, freeing you from the need for an adapter and low battery anxiety.

### FEATURES

- Type-C Port permits cables to be inserted easily in either direction
- USB Type-C provides faster charging and is emerging as the standard port on many phones, tablets, and laptops
- Interchangeable face covers
- Charging time may be affected by the charging cord used. Enerlites recommends using the cord provided with the device
- Built-in smart chip recognizes each device's individual charging requirements to optimize the charge
- Tested to withstand over 10,000 insertions
- Tamper-Resistant receptacles improve child safety – built-in shutter prevents access by most non-rated/foreign objects
- Fits in a standard wall box, compatible with standard wall plates
- Back wiring

### SPECIFICATIONS

Receptacle Rating	15A, 125VAC
USB Port: Type-A	5V-2.4A
USB Port: Type-C PD	5V-2.4A / 9V-3A / 15V-2A
