DUPLEX SELF-GROUNDING TAMPER AND WEATHER RESISTANT COMMERCIAL GRADE RECEPTACLE

MODEL NO: 62040-TWR

DESCRIPTION

Commercial grade receptacles are rated for variety of standard configurations. Tamper-resistant shutters prevent foreign objects from being inserted. Weather-resistant receptacles can be installed in wet or damp locations where challenging conditions can cause premature failure due to cracked covers and corrosion. All duplex receptacles are designed with thermoplastic construction and feature a shallow build for maximum wiring room.

FEATURES

- Combines tamper and weather resistance
- Tamper-resistant receptacle improves child safety – built-in shutter prevents access by most non-rated/foreign objects
- Shallow design for maximum wiring room
- Removable yoke tabs for ideal alignment
- Terminal screws backed out ready for wiring
- Combination Slot/Phillips head mounting and terminal screws ease installation
