

Enerlites®

2-GANG FLOOR BOX WITH FLIP-LID 20A DUPLEX TAMPER & WEATHER RESISTANT RECEPTACLE

MODEL NO: **975549-S, 975549-C**

DESCRIPTION

The ENERLITES 975549-S & 975549-C is a 2-gang floor box kit with two 20A tamper and weather-resistant duplex receptacles. The 20A duplex receptacle features tamper-resistant shutters, which prevent the insertion of foreign objects into the outlets. The floor box lays flush and features a flip-lid cover that is opened with use of a coin.

FEATURES

- 20A 125V tamper/weather-resistant receptacle
- For use with carpet and wood floors. Also great for counter-top applications
- Flooring types: tile, stone, wood, laminate, carpet, concrete and vinyl
- Wiring accepts #12-10 AWG stranded and solid copper wire
