

Enerlites®

Power Delivery Dual Type-C USB Charger Receptacle

MODEL NO: 61501-2C-PD60

DESCRIPTION

The ENERLITES 61501-2C-PD60 GaN in-wall charger meets the charging needs of multiple high-demand devices, like your MacBook Pro 16", iPad Pro (2018), and iPhone 13 series. Dedicated 60W USB-C power output, this power delivery fast charger can power the connected device at maximum speeds, freeing you from the need for an adapter and low battery anxiety.

FEATURES

- Type-C Port permits cables to be inserted easily in either direction
- USB Type-C provides faster charging and is emerging as the standard port on many phones, tablets, and laptops
- Interchangeable face covers
- Charging time may be affected by the charging cord used. Enerlites recommends using the cord provided with the device
- Built-in smart chip recognizes each device's individual charging requirements to optimize the charge
- Tested to withstand over 10,000 insertions
- Tamper-Resistant receptacles improve child safety – built-in shutter prevents access by most non-rated/foreign objects
- Fits in a standard wall box, compatible with standard wall plates
- Back wiring

SPECIFICATIONS
