## TYPE-A/2C USB CHARGER RECEPTACLE

MODEL NO: 61501-1A2C4

### DESCRIPTION

The ENERLITES 61501-1A2C4 is a triple USB port 4.2 Amp USB Type-A/ two Type-C charger combined with two 15 Amp tamper-resistant receptacles. Individually, our high speed USB Type-A and USB Type-C port deliver the most advanced charging technology and optimize current to reduce charging time to device. The USB charger receptacle allows the user to charge up to three USB devices (one USB-A and two USB-C) simultaneously without the use of bulky adapters while continuing to power traditional appliances such as a lamp or television with the same receptacle.

### FEATURES

- 3 USB charging ports with 4.2A total output
- Built-in smart chip recognizes each device's individual charging requirements to optimize the charge
- Tested to withstand over 10,000 insertions
- Tamper-resistant receptacle improves child safety – built-in shutter prevents access by most non-rated/foreign objects
- Fits in a standard wall box, compatible with standard wall plates
- Back wirings

### SPECIFICATIONS

Receptacle Rating	15A, 125VAC
USB Port: Type A	5V-2.4A
