Illuminance Cone Diagram

NOTE: The Curves indicate the illuminated area and the average illumination when the luminaire is at different distance.

CERTIFICATIONS

SPECIFICATIONS

Voltage	120V
Wattage	15W
Power Factor	0.7

LIGHTING PERFORMANCE

Lumens	1050 lm
Color Rendering Index	80+
Dimmable	Yes
Efficiency	70 lm/w
Beam Angle	114°
Color Temperature	3000K/4000K 5000K/6000K/6500K

ENVIRONMENT

Operating Temperature	-4° F - 104° F
Moisture Rating	Damp

CONSTRUCTION

Fixture Material	Housing:FE,Cover:PC
Lens Material	Plastic

LIFETIME

Average Lifetime	50,000 Hrs
